To Whom It May Concern:

Did you know that there are 124 Calendar Publishing Companies in the World?

This New Era Calendar Change is the first major change that affects all individuals and all Nations of Urantia – Earth 2 - World.

My Universal Thought Adjuster had called on me, Myles to develop the 13 month, 28 days, New Era, new world calendar to take effect at the start of the new year in 2023 for 365 days and in 2024 for 366 days, Leap Year Day.

I have completed this part of the task today, Monday, January 21, 2019.

Stand Alone Days

MID YEAR DAY (goes after the 14th and before the 15th of Amerus)

Stand Alone Day Every (4) Four Years

LEAP YEAR DAY after Mid Year Day and before the 15th of Amerus)

The new month I called AMERUS and it goes in between June, Amerus, July.

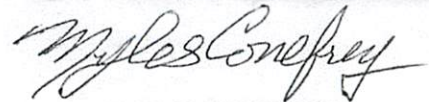

Amerus shows all the discontinued dates of the other months of the year for birthday celebrations for the new month of AMERUS,

Also any other events that also need to be moved beyond the 28th of the months.

The 124 Calendar Publishing Companies will be making these calendar makeovers for 2023; four years from now 01/2019.

Please get back to me with regards to this subject matter if you have any questions, for this is my value creation for Society as requested by the Universe (Thought Adjuster) and upon the completion of the Mayan Calendar back in 2012 to take effect in 2017 or 2023. I chose to postpone until 2023.

Thank You,
EVERLASTING LOVE
